07:30-08:00	Registration & Coffee				Registration				07:30-08:00	Registration					
08:00-08:30	Registration & Coffee				Registration				08:00-08:30	Registration					
08:30-09:00	IS 1   PerkinElmer	IS 2   BRUKER	IS 3   Aspect Imaging		PS 05   Novel Nuclear Imaging Probes	PS 06   Visualization of tumour and the microenvironment	PS 07   Optoacoustics and Ultrasound   Methods & Technology	PS 08   Functional and molecular Neuro- imaging	08:30-08:45	PS 13   late-breaking session	PS 14   Advanced Optical and Mass Spectrometry Imaging Technology	PS 15   Immunology - Cellular Imaging & Infectious Disease	PS 16   Myocardial Molecular Imaging.		
09:00-09:30			IS 4   MILabs	IS 6   MEDISO					09:00-9:30						
09:30-10:00									09:30-10:00						
10:00-10:30					Poster Session 01 Exhibition Coffee Break				10:00-10:30	Poster Session 02 Exhibition Coffee Break					
10:30-11:00	Scientific Speed dating organized by the Belgium young ESMI group								10:30-11:00						
11:00-11:15									11:00-11:15						
11:15-11:30									11:15-11:30						
11:30-12:00	Registration & Coffee				Willem Mulder "Nanomedicine and Imaging in Inflammatory Atherosclerosis" Gitte Moos Knudsen "Multimodality brain imaging of drug interventions"				11:30-12:00	Mickaël Tanter "Beating Time and Space Resolution limits in Biomedical Ultrasound : from fUltrasound Imaging of brain activity to Ultrasound Localization Microscopy" Martin Schwarz "Fluorescent-Protein Stabilization and High-Resolution Whole-Mount Imaging of Translucent Mouse Brains"					
12:00-12:30	ES 01   Molecular Neuroimaging: From pretty colors to hard numbers.	ES 02   Image-guided Drug Delivery	ES 03   Current and Future Strategies for Theranostic Multimodality Intraoperative Imaging.	ES 04   Hyperpolarized MR	Lunch break			informel meeting "X- ray based Imaging" Study Group"	12:00-12:30	Lunch break & Closing of Exhibition					
12:30-13:00											12:30-13:00				
13:00-13:30					Coffee Break						13:00-13:30				
13:30-14:00					FS 01   Best of EANM	FS 02   Best of ESR	SG 01   Intra- Operative Imaging open to everybody	SG 02   Image-Guided Drug Delivery open to everybody	13:30-14:00	PS 17   Antibodies, nanoparticles, small molecules   diagnosis & therapy in oncology	PS 18   Novel PET/OA/US Imaging and reporter Probes	PS 19   New Methods in Neuro-Imaging	SG 06   Standardization of Small Animal Imaging open to everybody		
14:00-14:30	ES 01	ES 02	ES 03	ES 04					14:00-14:30						
14:30-15:00									14:30-15:00						
15:00-15:15	Coffee/Lunch Break				Coffee Break				15:00-15:15						
15:15-15:30									15:15-15:30	Plenary Session Young Investigator Award Final					
15:30-16:00	Opening Ceremony Welcome & ESMI Award presentation				PS 09   MRI and MPI Technology	PS 10   Tumour metabolism	PS 11   Immunology - Inflammatory Responses & Infectious Disease	PS 12   Vascular Molecular Imaging	15:30-16:00	Awarding & Farewell					
16:00-16:15	ESMI Award winner lecture								16:00-16:15						
16:15-16:30	Opening Lecture				PhD Award winner lecture by Anoek Zomer				16:15-16:30						
16:30-16:45	Sir Peter Ratcliffe "The biology of hypoxia signalling pathways."								16:30-16:45						
16:45-17:00									16:45-17:00						
17:00-17:30	Coffee Break								17:00-17:30						
17:30-17:45					FS 03   Intravital Microscopy	SG 03   Molecular Neuro-Imaging open to everybody	SG 04   Hyperpolarized MR open to everybody	SG 05   Imaging Mass Spectrometry open to everybody	17:30-17:45						
17:45-18:00									17:45-18:00						
18:00-18:30	PS 01   Nuclear and CT Imaging   Methods & Technology	PS 02   Novel diagnostic and therapeutic imaging strategies in oncology	PS 03   Imaging of Neuroinflammation	PS 04   Novel MRI- based Probes					18:00-18:30						
18:30-19:00									18:30-19:00						
19:00-19:15									19:00-19:15						
19:15-19:30									19:15-19:30						
19:30-20:00		Members Assembly							19:30-20:00						
20:00	Opening Reception				EMIM 2016 Get-Together Winkel van Sinkel, Oudegracht 15 Ticket is required!				20:00
